

**INTEGRITY AGREEMENT  
BETWEEN THE  
OFFICE OF INSPECTOR GENERAL  
OF THE  
DEPARTMENT OF HEALTH AND HUMAN SERVICES  
AND  
HENRY J. WISDOM, D.O.**

**I. PREAMBLE**

Henry J. Wisdom, D.O. ("Dr. Wisdom") hereby agrees to enter into this Integrity Agreement ("Agreement") with the Office of Inspector General of the United States Department of Health and Human Services ("OIG") to provide for the establishment of certain integrity measures to ensure compliance with the requirements of the Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) by Dr. Wisdom, by Dr. Wisdom's employees and agents, by any entity in which Dr. Wisdom is an owner or has a controlling interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) and such entity's employees and agents, and by all third parties with whom Dr. Wisdom may choose to engage to act as billing or coding consultants for purposes of claiming reimbursement from the Federal health care programs. Contemporaneously with this Agreement, Dr. Wisdom is entering into a Settlement Agreement (the "Settlement Agreement") with the United States. For the purposes of this Agreement the term "Wisdom" shall refer to Dr. Wisdom and any entity in which Dr. Wisdom has an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)). This Agreement is incorporated by reference into the Settlement Agreement.

**II. TERM OF THE AGREEMENT**

Except as otherwise provided in this Agreement, the period of compliance obligations assumed by Dr. Wisdom under this Agreement shall be five (5) years from the effective date of this Agreement. The effective date of this Agreement shall be the date on which the final signatory executes this Agreement.

### **III. INTEGRITY OBLIGATIONS**

Within thirty (30) days of the effective date of this Agreement, Dr. Wisdom agrees to implement an Integrity Program (the "Program"), which shall include the following provisions:

#### **A. COMPLIANCE CONTACT**

Within fifteen (15) days of the effective date of this Agreement, Dr. Wisdom shall designate a person to be the contact person for purposes of the obligations herein. At all times during the term of this Agreement, there shall be a contact person who shall have operational responsibility for ensuring compliance with the integrity obligations in this Agreement. If a new contact person is designated during the term of this Agreement, Dr. Wisdom shall notify OIG, in writing, within ten (10) days of such a change.

#### **B. POSTING OF NOTICE**

Within fifteen (15) days of the effective date of this Agreement, Dr. Wisdom shall post in a prominent place accessible to all patients and employees a notice detailing his commitment to comply with all statutes, regulations and directives applicable to the Federal health care programs in the conduct of his medical practice and in seeking reimbursement from the Federal health care programs for services and items furnished to patients of the Federal health care programs. This notice shall identify a means (e.g., telephone number, address, etc.) through which matters of concern can be reported anonymously.

#### **C. WRITTEN POLICIES AND PROCEDURES**

Dr. Wisdom shall develop and implement written Policies and Procedures within sixty (60) days of the effective date of this Agreement, which written Policies and Procedures shall address the following:

- a. Dr. Wisdom's commitment to adhere to honest and accurate billing practices;
- b. The proper submission of claims to the Federal health care programs, including verification that all claims meet applicable reimbursement standards;

- c. The assignment of appropriate CPT codes when billing for psychiatric treatment of Federal health care program patients;
- d. The proper documentation of services and billing information and the retention of such information in a readily retrievable form;
- e. A mechanism for employees and agents to make inquiries regarding compliance with Federal health care program reimbursement standards without risk of retaliation or other adverse effect; and
- f. Dr. Wisdom's commitment not to hire or engage as contractor any Ineligible Person. For purposes of this Agreement, an "Ineligible Person" shall be any individual or entity who: (i) is currently excluded, suspended, debarred or otherwise ineligible to participate in the Federal health care programs; or (ii) has been convicted of a criminal offense related to the provision of health care items or services and has not been reinstated in the Federal health care programs after a period of exclusion, suspension, debarment, or ineligibility.

**D. TRAINING AND CERTIFICATION**

Within thirty (30) days of the effective date of this Agreement, Dr. Wisdom, Dr. Wisdom's employees and anyone else engaged by Wisdom to prepare or submit claims for reimbursement to the Federal health care programs shall be trained in the proper reimbursement standards, program policies, and verification and compliance procedures to ensure the propriety and accuracy of claims for services and items furnished to Federal health care program patients. The training shall be designed to ensure that Dr. Wisdom and all of his employees and agents are aware of all applicable Federal health care program statutes, regulations and guidelines and the consequences (e.g., overpayment demands, restitution, penalties, criminal, civil and administrative liability, exclusion from the Federal health care programs, etc.) both to the individual and Dr. Wisdom that may ensue from any violation of such requirements.

Dr. Wisdom shall arrange for each new employee to participate in such training no later than fifteen (15) days after the person begins to work for Dr. Wisdom. Until the person has received the requisite training, such new employee shall work under the direct supervision of an employee who has received the required training.

This training program shall provide for no less than six (6) hours of training annually for each person.

At a minimum, the training sessions shall cover the following topics:

1. Dr. Wisdom's obligations under this Agreement;
2. All applicable Federal health care program statutes, rules, regulations, and guidelines related to reimbursement, and the legal sanctions for improper billing or other violations of these standards; and
3. The written Policies and Procedures developed pursuant to section III.C, above.

Dr. Wisdom and each employee and agent shall date and sign a certification indicating attendance at the training session and further attesting to an understanding of the provisions in the Policies and Procedures and all applicable Federal health care program standards addressed in training. These certifications will be maintained by Dr. Wisdom and shall be made available for inspection by

OIG or its duly authorized representative(s). At least one copy of the training materials or a detailed description of the topics covered during the training session shall be kept with the certifications.

#### **E. INDEPENDENT REVIEWS**

On at least an annual basis and for the duration of this Agreement, Dr. Wisdom agrees to contract with an independent third-party reviewer (e.g., a health care billing auditor or a consultant) (hereinafter the "Independent Reviewer") to undertake a review of a statistically valid sample of the claims submitted by Wisdom and his agents and/or employees to the Federal health care programs for items or services provided by Dr. Wisdom. The purpose of this review is determine whether the claims are in compliance with the appropriate billing requirements. This review will be conducted by an independent and appropriately trained person or entity with knowledge of Federal health care program statutes, regulations, requirements, and reimbursement policies and procedures. These reviews shall cover, at a minimum, the preceding one (1) year period and shall seek to determine that the claims submitted to the Federal health care programs are for medically necessary and covered services under applicable program guidelines and that the claims are appropriately coded and billed. At the conclusion of each review, the Independent Reviewer shall prepare a report describing the review's parameters, methodologies and procedures, as well as presenting the review findings and the reviewer's conclusions and recommendations. The report shall include findings regarding Wisdom's appropriate use of CPT codes when billing for psychiatric treatment of Federal health care program beneficiaries. A copy of this report shall be included in Dr. Wisdom's Annual Reports to OIG.

A statistically valid sample means that if the overpayments identified in the sample were projected to the population of claims from which the sample is taken, the projection would provide a 90% confidence level and a maximum relative precision (i.e., semi-width of the confidence interval) of plus or minus 25% of the point estimate. In other words, if the overpayment results were projected to the population at a 90% confidence level, the confidence interval (expressed in dollars) must be sufficiently narrow that the upper bound of the confidence interval would not exceed 125% of the midpoint of the confidence interval (the point estimate), and the lower bound of the confidence interval would not be less than 75% of the midpoint of the confidence interval.

#### **IV. REPORTING**

In the event of Dr. Wisdom's failure to comply with any of the obligations in this Agreement, the Agreement may be deemed in breach and the parties shall proceed in

the appropriate manner as described below.

**A. REMEDIES FOR MATERIAL BREACH OF THIS AGREEMENT**

If Dr. Wisdom engages in conduct that OIG considers to be a material breach (as defined below) of this Agreement, OIG may determine to exclude Dr. Wisdom from participation in the Federal health care programs. Upon making its determination, OIG shall notify Dr. Wisdom of the alleged material breach by certified mail and of its intent to exclude as a result thereof (this notice shall be referred to hereinafter as the "Intent to Exclude Letter"). Dr. Wisdom shall have thirty-five (35) days from the date of the letter to:

- (1) cure the alleged material breach; or
- (2) demonstrate to OIG's satisfaction that the alleged material breach cannot be cured within the thirty-five (35) day period, but that Dr. Wisdom has begun to take action to cure the material breach and that Dr. Wisdom will pursue such action with due diligence. Dr. Wisdom shall, at this time, submit a timetable for curing the material breach for OIG's approval.

If at the conclusion of the thirty-five (35) day period (or other specific period as subsequently agreed by OIG and Dr. Wisdom), Dr. Wisdom fails to act in accordance with provisions (1) or (2) above, OIG may initiate steps to exclude Dr. Wisdom from participation in the Federal health care programs. OIG will notify Dr. Wisdom in writing of its determination to exclude him (this letter shall be referred to hereinafter as the "Exclusion Letter").

For purposes of this section, a "material breach" shall mean: (i) a failure to report a material deficiency, take corrective action and pay the appropriate refunds, as provided in section IV of this Agreement; (ii) repeated or flagrant violations of the obligations under this Agreement, including, but not limited to, the obligations addressed in section VI.A and VI.B of this Agreement; or (iii) a failure to retain and use an Independent Reviewer for the purposes described in section III.E.

**B. DISPUTE RESOLUTION**

Upon OIG's delivery to Dr. Wisdom of its Exclusion Letter, and as an agreed upon contractual remedy for the resolution of disputes arising under the obligations in this Agreement, Dr. Wisdom shall be entitled to certain due process rights similar to those afforded under 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005.

Specifically, OIG's determination to seek exclusion shall be subject to review by a Department of Health and Human Services ("HHS") Administrative Law Judge ("ALJ") in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. The ALJ's decision, in turn, may be appealed to the HHS Departmental Appeals Board ("DAB") in a manner consistent with the provisions in 42 C.F.R. § 1005.21. OIG and Dr. Wisdom agree that the decision by the DAB, if any, shall constitute the final decision for purposes of the exclusion under this Agreement.

Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issue in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether Dr. Wisdom was in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 35 day period, but that:
  - (i) Dr. Wisdom had begun to take action to cure the material breach within that period;
  - (ii) Dr. Wisdom has pursued and is pursuing such action with due diligence; and
  - (iii) Dr. Wisdom provided to OIG within that period a reasonable timetable for curing the material breach and Dr. Wisdom has followed the timetable.

**IX. EFFECTIVE AND BINDING AGREEMENT**

Consistent with the provisions in the Settlement Agreement pursuant to which this Integrity Agreement is entered, and into which this Integrity Agreement is incorporated, Dr. Wisdom and OIG agree as follows:
